

Institutional Distinctiveness

Distinctiveness: “Higher Education for rural deprived and earthquake affected masses”

Our college is established in the year 2000 with the motto Higher Education for rural deprived and earthquake affected area masses. The motto of our Sanstha is Samaj Probodhan through education. Our college is functioning as per the above motto.

Our distinctiveness is seen not only in Samaj Probodhan through higher education, but also in selection of its stakeholders in different fields/ area of services. Our college though it is in rural and earthquake area it is well-known for giving suggestions on new ideas to university authorities such as exam reforms new NAAC guidelines, New Maharashtra university Act, etc.

One of the distinctive features of our college is the **Probodhan** activities with teaching and learning activities. The hidden talents of the students are found out through probodhan and students are encouraged. Certificate courses are also offered through various departments of our college.

In our mission and vision we have clearly stated that our aim is to provide the education to them who cannot get. During last 18 years we got success in this mission. Because of our college only many girl students in this area are getting higher education in their own place. We are not only giving education but also got success in building the positive mindset of people in the Killari towards education which was collapsed in 1993's earthquake. We gave Bhagatsingh's name to our college and we feel proud that we can build mind set of our students to be the real nationalist and overall a good human being for the self, family, state and the nation.

Students participate in debating competition cultural Programmes and sports activities. Our college student Shri. Nagargoje Yogiraj won first prize in inter university wrestling competition at university level. One of our students Miss. Rupali Mane Selected Assistant Registrar of Co-operatives. Most of the students are selected in defence and police department some of them are selected in civil services departments.

For promotion of our results and encourage merit holders our managements members congratulated and felicitate the students, their parents and also faculty for their achievements on the occasion of 27th June foundation day of college every year.

Our college NSS department, Sports department and cultural department organize various programmers. The students enthusiastically participate in the programmes.
